Multiple Company Application

This form is to be used to apply for Multiple Company status under the NLCSA COR® Program. Please submit the completed form together with the supporting documentation outlined in the accompanying email.

Application Type (Choose Only One):

- ☐ **Multiple Company** – Separate Internal and External Audits for each company
- ☐ **Multiple Company – Single Audit** – Combined audit where additional eligibility criteria are met

1. Parent Company:

This company must already hold COR® certification and a valid Letter of Good Standing.

Parent Company Name: _____

2. Child Company(ies):

Attach an additional page if applying for more than one Child Company.

Child Company Name: _____

Address: _____

Phone: _____ Email: _____

3. Applicant Information:

This section should be completed by the person submitting the application.

Applicant Name: _____

Position: _____

Company: _____

Phone: _____ Email: _____

4. Supporting Documentation Checklist:

The following supporting documentation is required for the Parent Company and each Child Company included in this application:

- ☐ Proof of common ownership (e.g., Notice of Directors or equivalent legal documentation)
- ☐ Certificate(s) of Clearance
- ☐ WorkplaceNL documentation showing Firm Number and NIC Code
- ☐ Associate Membership Form, if applicable

For Multiple Company – Single Audit applications, the applicant must also confirm that the companies:

- ☐ Share a workforce
- ☐ Operate at joint worksites
- ☐ Operate in a manner where conducting separate audits would result in substantially the same documentation, interviews, and observations

By submitting this application, the applicant confirms that the information provided is accurate and complete and understands that NLCSA will determine eligibility for the requested Multiple Company status.
