NEWFOUNDLAND
& LABRADOR
CONSTRUCTION
SAFETY
ASSOCIATION

Company Name: _____

The above named company is applying to receive a Letter of Good Standing from the Newfoundland and Labrador Construction Safety Association (NLCSA) under the Certificate of Recognition™ (COR™) program based on its COR™ status with their Provincial or Territorial Construction Safety Association.

When submitting this application, you will be required to submit:

- 1 Copy of the company's letterhead which will include information relating to the mailing address, phone number, fax number, email, and primary contact for the company;
- 2 Have a copy of the company's Letter of Good Standing, indicating full COR™ status (or equivalent), with your Provincial or Territorial Construction Safety Association forwarded to the NLCSA; and
- 3 Documentation from WorkplaceNL that confirms your registration and includes the company Newfoundland Industry Classification (NIC) and FIRM numbers.

If approved, the above mentioned company's Letter of Good Standing and ongoing participation in the COR™ program will be determined as per NLCSA Policy C-11: Reciprocity Policy, and within the allocated timeframe submit to the NLCSA:

- Completed NLCSA COR™ Audit Instrument conducted on a project being completed in Newfoundland and Labrador;
- Completion of the NLCSA Harassment Course, or a recognized equivalent; and
- Any other requirements deemed necessary to comply with both the NLCSA COR™ Program requirements and/or appropriate legislation or industry practices associated with loss control programs and associated policies and procedures within the Province of Newfoundland and Labrador.
