

FIRST is seeking apprentices

What is FIRST?

FIRST (Fostering Inclusion in Red Seal Trades) is a nationwide government sponsored program led by CCRW aimed to break down barriers for persons with disabilities to train, test, and secure employment.

We support all Red Seal Trades, including cooking, carpentry, construction, electrical, HVAC, plumbing, and more.

Accessibility FIRST will work to remove accessibility related barriers so apprentices can engage meaningfully and efficiently within their role.

FIRST is a safe space for apprentices at any stage of their Red Seal Trade journey.

Our goal is supporting applicants with barriers in order for them to become Red Seal Certified.
